EXPERIENCE

DREAMWEAVER (ARTIST)

Eleven Madison Park | 2022 - Present

- Interacting professionally, genuinely, and courteously with event attendees, establishing positive connections and creating memorable experiences for guests.
- Using strong foundational skills in drawing to create specialized art for guests in a timely and accurate manner.
- Managing diverse assignments—drawings, paintings, garments, sculptures—handling varied timelines, skill requirements, and deadlines efficiently.
- Conceptualizing and creating custom products under time constraints, collaborating with kitchen and dining room while addressing specific requests and troubleshooting challenges.
- Executing restaurant-wide creative projects, including material sourcing for service pieces, designing menus, cards, illustrations, labels, and crafting gifts for team members and other establishments.

ASSISTANT SERVER

Eleven Madison Park | 2022 - Present

- Anticipating guest's needs and gracefully handling questions or concerns
- Communicating clearly and concisely with all team members
- Ensure that tables including silverware, glassware, and linens, are immaculate.
- Maintaining knowledge of current menu, wine pairings, and cocktails.

FREELANCE ARTIST

Self-Employed | 2018 - Present

- Producing stylized and realistic illustrations and portraits
- Designing environment and character concepts
- Preparing drawings and illustrations in compliance with style guides, templates, and design standards
- Delivering illustrations on time plus any edits the client might need

2D CONCEPT ARTIST

Plague Party Games | 2018 - 2019

- Pitched ideas built on thorough research and exploration to the design team
- Created a broad scope of concepts for characters, buildings, and props
- Created visually striking concepts to define the look and feel of the game
- Completed quality work under established deadlines
